

topics

- Missionary life cycles
- Team dynamics
- Handling confrontation and managing conflict
- Debriefing, exit interviews, & reentry
- Using appraisals effectively
- Coaching missionaries in support raising
- Counseling foundations
- Caring for unique needs of singles and families
- Developing a member care plan for your location

who?

- Leaders who want to strengthen the care of their missionaries
- Member care givers or pastoral care givers
- People with a passion to care for God's servants
- Missionaries with pastoral gifting and God's leading to serve missionaries
- People already serving in personnel or training
- People involved with mobile ministries, visiting many missionaries and many locations

why?

- Develop practical skills for giving member care
- Practice member care skills in a safe environment
- Gather resources and tools that will equip you to effectively minister to the whole person
- Develop relationships with others with the same passion
- Discuss critical issues that arise in the process of the life of a missionary and in ministry teams
- Identify specific member care needs in your location
